Set 1: Christmas Boulevard USA“

Movie Park's "Hollywood Boulevard" is transformed into **'Christmas Boulevard USA'** during the cold season and reminiscent of a typical American small town with numerous lights and colorful decorations.

So that Santa Claus and his elves can ring in the festive evening from 5 pm, the big **"Christmas Tree Celebration"** takes place daily at the fountain around the festively decorated Christmas tree, which is 20 meters

high and weighs over 2.5 tons. A **light show** accompanied by musical Christmas classics makes the boulevard glimmer and brings more sparkle into the cold season. The Roxy 4-D Theater brings a timeless story to the big screen with **"Scrooge 4D: A Christmas Carol"**. This modern adaptation of Charles Dickens' classic will put the whole family in the Christmas spirit. The 4D Experience® accompanies Ebenezer Scrooge on his extraordinary journey to confront his past and change the future in time for a magical Christmas. Additionally, the grumpy **Yeti S.A.D** comes out of the studio halls again, just in time for winter, and is available for meet & greets.

The grand finale of each day is the **"Hollywood Christmas Lights" closing show with fire, laser and light effects** that will not only make children's eyes light up but also the sky above the Movie Park Studios. This year, new effects will be added to the show, and Santa Claus himself will bring the movie-like day at Movie Park Studios to a close. To this end, Movie Park Germany is once again collaborating with the Bottrop-based company FOG fireworks to create a version of the closing show that is less dependent on the weather.

The wintery version of the parade slides into the spotlight with the **"Hollywood Christmas Parade"**. Amidst lights

and a festive atmosphere, the streets around **"Christmas Boulevard USA"** and **"Rockefeller Plaza"** come alive to the IMAscore-created soundtrack. The parade will be complemented by additional festively decorated vehicles.

Set 2: „Rockefeller Plaza“

Welcome to New York City! The **"Rockefeller Plaza"** themed area is inspired by the American metropolis and invites all guests to enjoy a festive winter's day. **The live singing show "Tune in for Christmas"** heralds the start of the festive morning and brings the big

Christmas hits to the stage – festive, pop-inspired and guaranteed to get guests swaying along. As another entertainment highlight, the **show "Christmas Sparkle – A Light for Everyone"** transforms Van Helsing's Club

into a Christmas experience. Live singing, dancing, and acrobatics come together to bring the magic of Christmas to life.

Visitors then skate into the next scene on the **360 m² large and roofed ice-skating rink**, which is located directly in front of the stage. In the middle of the ice rink is a 6-meter Christmas tree. As is customary in New York in winter, all winter fans can hire ice skates. A Christmas-style **mapping show** is also part of the program and projected onto the facades of the "Time Riders" and "The Toymaker" buildings. Accompanied by Christmas music from IMAscore, it stages wintry characters for the guests.

The brandnew **"Movie Park's Santa Experience – From Hollywood to the North Pole"** in the "Time Riders" attraction building makes the Christmas experience even more immersive and is aimed specifically at families with young children. Santa's Enchanted Express takes all little Christmas fans directly to the North Pole in three minutes, where Santa Claus himself can be found for a meet & greet with his elves. On seven screens, 24 guests at a time experience a train ride to Santa's headquarters. The new experience is open on all event days for about two hours against a small fee.

Under the roof of Van Helsing's Club, winter sports enthusiasts can also demonstrate their skills and use the **curling rink**. Another curling rink is located in front of the California Coffee location.

Those looking for a darker experience during the festive season can make a detour to "Van Helsing's Factory". Just around the corner, in the nearby Star Trek area, the "Star Trek™: Operation Enterprise" roller coaster awaits all winter fans to catapult them into frostier spheres.

Set 3: „Nickelodeon HoHoHoliday LAND“

The wintry version of **"Nickelodeon LAND"** is brought to life with **"Nickelodeon HoHoHoliday LAND"**. The popular characters from PAW Patrol and SpongeBob SquarePants get a Christmas makeover for Meet & Greet. Large Christmas ornaments featuring the SpongeBob characters are distributed throughout the themed area as photo points. Fans of PAW Patrol can also look forward to huge new Christmas photo points this year. The **"Nickelodeon Dance Party Holiday Edition"** show with the park's popular characters brings a festive atmosphere to the stage. The site sound throughout the area is filled with children's Christmas songs.

The "Movie Park Studio Tour" slides across the tracks in its Christmas Special Edition. The wintry portfolio also includes other **Nickelodeon LAND attractions** such as "Ghost Chasers", "Jimmy Neutron's Atomic Flyer", "Mission to Mars", "Splat-O-Sphere" and the PAW Patrol attractions.

Christmas baking is once again in full swing at the **Kids Cookie & Christmas Factory**, located near the "Teenage Mutant Ninja Turtles: License to Drive" attraction. Here, children can design their own cookies, take them home, and make gifts for their loved ones.

Set 4: „Wild West Christmas“

The “Wild West Christmas” area extends to Studio 7. “**The Great Christmas Magic Show – by Christian Farla**” takes place there up to three times a day. The family-friendly show offers spectacular magic and illusions, dance performances, and artistic variety acts. When the magical snow globe mysteriously appears under the Christmas tree, a new enchanting adventure begins with the award-winning illusionist and the Showgirls of Magic.

The dance and singing show “**Meet Santa & Friends**” in the Western Saloon impressively demonstrates how hectic Christmas preparations can be when Santa Claus and his elves, with the help of the young guests, make the Christmas miracle come true.

The rollercoaster “The Bandit” takes guests along on a ride on the “big wooden sleigh”.

„Santa Monica Pier“

Those who are planning a cozy, wintery stroll and want to soak up the atmosphere in a quiet and relaxed manner can find what they are looking for in the Californian part of the park. The themed area “Santa Monica Pier” – which fittingly already has a Christmas reference in its name – will be staged with special lighting.

Food & Beverages

Of course, no Christmas celebration would be complete without delicious food and drinks! **Special US food trailers and Christmas food stalls** serve up Christmas classics as well as new creations, creating a typical American atmosphere with culinary delights.

In addition, the “**Trattoria Hollywood**” restaurant will be offering special Christmas variations in the pizza and pasta segment, and the “**Van Helsing's Club**” restaurant will be serving schnitzel creations and modern poké bowls. The “**California Coffee**” will be offering Christmas snacks and pastries, brownies, American cheesecake, and hot drinks such as hot chocolate, mulled wine, and cranberry punch to warm guests up.

B2B Events / Christmas Parties

For **B2B customers and groups**, an offer is available for **Christmas parties with a customized catering offer**. Event packages including admission and buffet can be booked for groups of 30 or more. For example, a mulled wine reception can be organized in the California Coffee Bar & Grill on the covered and heated terrace and the
